AECORE VINYL DECORATIVE LAMINATES

- * AeCore decorative laminate is a multi-layer rigid calendered thermoplastic material that is produced from PVC.
- * All America Plywood stocks AeCore in 10 Tafisa VIVA colors.
- * It's embossed-in-register, fire rated, and water resistant.
- * Compared to HPL it is more flexible and less breakable.

49" x 97" x 0.8mm Sheets--**\$67.99** Each
